

2018 Monaco Marine Group Company Profile

PLEASURE IS A SERIOUS MATTER !

MONACO MARINE is the network of refit and maintenance shipyards on the French Riviera for super and mega yachts up to 160m+. Our expertise, know-how, ability to manage huge refit projects allow us to reach the highest quality standards available on the market. With a specific team dedicated to a mobile shipyard service, we also operate on your yacht all around the world.

Over 3000 yachts undergo refit, repair or wintering at our Shipyards every year.

Our 8 Yacht Facilities located from Monaco to Marseille provide the best support for owners, captains and crews along the year.

A private marina in Monaco complete the perfect answer from what you expect of a services company.

After 22 years experience, Monaco Marine gains a loyalty rate of 80% from its customers which is its best reward for the work done on many prestigious yachts.

Working with **passion**, providing the **best tools**, staying **state of the Art**, innovating for tomorrow and always keeping customers **satisfaction** in mind, that's our everyday life.
